Report to the Community 2008-09

Inspiring giving to sustain Strathroy Middlesex General as a vibrant community Hospital

Thank you for supporting Strathroy Middlesex General Hospital!

On behalf of Strathroy Middlesex General Hospital Foundation, we would like to thank everyone who supported the Foundation this past year. Together, we have taken significant strides to help Strathroy Hospital improve patient care.

The Foundation's purpose is to support the hospital by raising money to pay for capital expenses; a large annual cost to the hospital that is not funded by the province. These costs include new patient care equipment and technology, building and renovation projects, physician recruitment and staff education. The province is responsible for operating costs such as salaries, supplies, drugs, utilities and other day to day expenses.

Like you, the primary challenge for the Foundation this year is the economic recession and the impact it has had on our donors and the community. We know that the dollars given to support the Hospital are very valuable to both you and to us, and in these times, it's more important now than ever to share how grateful we are for your contributions.

With sincere gratitude,

Lorna Campbell, Chair
Board of Directors

Celebrating 20 Years of Giving

In 2009, the SMGH Foundation celebrated its 20th Anniversary with a special fundraiser: *An Evening with Cirque Sublime*.

We are deeply moved by the commitment of the community to support the hospital and very impressed to see a full house at the show. \$13,886.84 was raised for the hospital.

Thank you to each of the volunteers, everyone who attended, silent auction donors, and tremendous support of our sponsors who helped to make the event successful.
