Areas of Expertise

Please assess yourself against our Board Skills Matrix. For each of the areas, please use the following rating scale:

- **Expert:** Expert understanding and provides expert analysis and advice on complex issues
- **Strong:** Significant understanding and expertise of the competency and participates fully in board analysis discussion and debate on more complex issues
- **Good:** Good understanding of the fundamentals and sufficient knowledge and experience to apply concepts to less complex issues
- **Basic:** Some knowledge; understands terminology and can identify the skills / attributes associated with the competency

For each competency, please provide a brief description of your rationale for the rating you have given yourself. Your assessment in these areas will assist in the creation of your potential development plan.
